Exports Live!

Real Deals - Real Profits

Miami, Oct. 26th - Port of Miami

The half-day seminar will include a series of interactive panel discussions with federal government partners as well as with exporters highlighting their "success stories." After an included lunch, there will be an opportunity for one-on-one sessions with government trade professionals and networking with trade finance lenders, export credit insurance brokers, government and industry experts, and other successful U.S. exporters.

A world of new ideas for expanding your global trade business awaits.

Participating federal government agencies:
Export-Import Bank of the U.S.; U.S. Department of Commerce; U.S. Trade Development Agency; U.S. Treasury; Small Business Administration; Overseas Private Investment Corp.; and U.S. Department of Energy.
