

**Certifications and Covenants for Direct Loan and Medium
Term/Long Term Exporter's Certificates**

These certifications and covenants are incorporated into the Export-Import Bank of the United States ("EXIM") Exporter's Certificate as if fully set forth in the Exporter's Certificate. When signing an Exporter's Certificate, the Exporter certifies that the representations made and the facts stated in both the Exporter's Certificate and these Certifications and Covenants for Exporter's Certificates are true to the best of the Exporter's knowledge and belief, and the Exporter has not misrepresented or omitted any material facts. With knowledge that EXIM will rely on the certifications and representations made in both the Exporter's Certificate and these Certifications and Covenants for Exporter's Certificates, the Exporter agrees that it is liable for any damages suffered by EXIM's reliance. The Exporter understands that these certifications are subject to penalties for fraud and for providing false documentation, including, but not limited to, those penalties provided for in Article 18 U.S.C., Section 1001.

The Exporter (hereafter, "Exporter", "we" or "us"), as to itself and the EXIM-approved Goods and Services and Local Costs under the Supply Contract(s)/Purchase Order(s), certifies and covenants as follows:

We will not knowingly enter into any purchase, sale, leasing or financing agreements in connection with any EXIM support with any individual or entity that is listed on the **SAM** or the **Sanctions List Search** (or is otherwise prohibited from conducting business with U.S. public and private entities, or prohibited from participating in its role in this transaction, pursuant to **OFAC** Regulations).

Neither we nor any agent or representative acting on our behalf, has or will engage in any activity in connection with this transaction that is a violation of (1) the **Foreign Corrupt Practices Act of 1977**, 15 U.S.C. § 78dd-1, *et seq.*; (2) 18 U.S. Code §201 (prohibiting bribery of public officials of the United States of America); (3) any applicable U.S. laws prohibiting bribery of, or kickbacks to, private sector persons; (4) the **Arms Export Control Act**, 22 U.S.C. § 2751 *et seq.*; (5) the **International Emergency Economic Powers Act**, 50 U.S.C. § 1701 *et seq.*; (6) the **Export Administration Act of 1979**, 50 U.S.C. § 4801 *et seq.*; (7) the **Export Control Reform Act**, 50 U.S.C. § 4801 *et seq.*; or (8) the regulations issued by the **OFAC**. Neither the Exporter, nor to the best of the Exporter's knowledge, any lender, borrower or end-user in the transaction, has, within the preceding 5 years, been convicted of an act of fraud or corruption in connection with an EXIM transaction.

5. Written Statement of Exception. If we cannot truthfully attest to all of the certifications in Paragraphs 2 and 4 above, or a prior written consent is necessary in connection with Paragraph 2 above, we have received a written statement of exception from EXIM attached to the Exporter's Certificate, permitting acceptance of the Exporter's Certificate notwithstanding an inability to make all of the certifications set forth above in Paragraphs 2 and 4 of this Part D.
6. Future Changes to Certifications. With respect to this Part D, if any of the certifications made herein become untrue, we will promptly submit an amended Exporter's Certificate, noting the changes and with any required attachments, prior to any further presentation of invoices for payment.

INSTRUCTIONS TO EXPORTERS:

Definitions

An "Exporter" is an individual or entity (i) whose Goods and/or Services are acquired by the Purchaser and (ii) who, in the sole determination of EXIM, is located and regularly doing business in the United States. For purposes of this Exporter's Certificate, a provider of "Special Ancillary Services" will be considered an Exporter. For more information on "Special Ancillary Services", please refer to EXIM's Fact Sheet on Financing Fees for Ancillary Services at <http://www.exim.gov/what-we-do/loan-guarantee/ancillary-services>. For the purposes of Part D, Section 1 of this Exporter's Certificate, "major pieces of equipment" means equipment of significant size, utility or capacity, either useful in a standalone function or as a component of a larger system. In addition, with respect to unique identification numbers (such as vehicle identification numbers and serial numbers), if such numbers do not appear on an invoice, they may be submitted to the Guaranteed Lender/EXIM (as appropriate) by attaching to the invoice(s) either (i) original addenda or (ii) pre-existing documents (i.e., packing slips or similar documents), in each case, containing unique identification numbers for each major piece of equipment.

Part A: Content

The information provided in Part A will be used to determine the total amount of EXIM guarantee, direct loan or insurance support for a transaction. Please refer to EXIM's Fact Sheets on Foreign Content, Local Costs, and Ancillary Services at <http://www.exim.gov/policies> for a further explanation of EXIM's content and cover policies.

Part D: Additional Certifications

The certifications in Sections 1 and 2 of Part D cover those Goods and Services sourced from U.S. (or the Purchaser's country in the case of Local Costs) and approved as eligible for coverage under an EXIM Credit/Guarantee/Insurance. If you have any question about what Goods and Services are approved by EXIM, please contact your EXIM loan officer. For Long-Term transactions (credit over \$25MM, excluding the exposure fee or premium, or more than 7 years repayment), such "Goods and Services" are those listed in the current Acquisition List submitted by the Borrower to EXIM.

Initial Exporter's Certificate

The Exporter's Certificate must be completed by the Exporter and presented prior to the borrower's first request for disbursement related to that exporter's invoices under the EXIM-supported credit. Exporter's Certificates are also to be completed by U.S. and non-U.S. providers of Ancillary Services (such as banking, financial advisor, technical consultant, and legal) that have been approved by EXIM for financing under the EXIM Credit/Guarantee/Insurance.

Amended Exporter's Certificates

If an Amended Exporter's Certificate is required pursuant to any section of the Exporter's Certificate, the Exporter should check the "Amended Exporter's Certificate" box at the top of the Certificate and note the change being reflected in the amended Certificate. The Exporter should contact the lender under an EXIM Guarantee/Insurance transaction, or EXIM if an EXIM direct loan, for instructions on where to send the Amended Exporter's Certificate.

Please note that a change to Part A (Content) requires the Exporter to attach a copy of the "Disbursement Percentage Calculator" to the Amended Exporter's Certificate. The Calculator allows the Exporter to calculate the new disbursement percentage for the transaction. The Calculator (and instructions) are found at <http://www.exim.gov/tools-for-exporters/credit-administration-and-operations/disbursement-calculator>. Changes to Sections 2 and 4 of Part D require the relevant EXIM approval to be attached.
