INSTRUCTIONS TO EXPORTERS:

Definitions
An “Exporter” is an individual or entity (i) whose Goods and/or Services are acquired by the Purchaser and (ii) who, in the sole determination of Ex-Im Bank, is located and regularly doing business in the United States. For purposes of this Exporter's Certificate, a provider of “Special Ancillary Services” will be considered an Exporter. For more information on “Special Ancillary Services”, please refer to Ex-Im Bank's Fact Sheet on Financing Fees for Ancillary Services at http://www.exim.gov/what-we-do/loan-guarantee/ancillary-services. For the purposes of Part D, Section 1 of this Exporter's Certificate, “major pieces of equipment” means equipment of significant size, utility or capacity, either useful in a standalone function or as a component of a larger system. In addition, with respect to unique identification numbers (such as vehicle identification numbers and serial numbers), if such numbers do not appear on an invoice, they may be submitted to the Guaranteed Lender/Ex-Im Bank (as appropriate) by attaching to the invoice(s) either (i) original addenda or (ii) pre-existing documents (i.e., packing slips or similar documents), in each case, containing unique identification numbers for each major piece of equipment.

Part A: Content
The information provided in Part A will be used to determine the total amount of Ex-Im Bank guarantee, direct loan or insurance support for a transaction. Please refer to Ex-Im Bank's Fact Sheets on Foreign Content, Local Costs, and Ancillary Services at http://www.exim.gov/policies for a further explanation of Ex-Im Bank's content and cover policies.

Part D: Additional Certifications
The certifications in Sections 1 and 2 of Part D cover those Goods and Services sourced from U.S. (or the Purchaser's country in the case of Local Costs) and approved as eligible for coverage under an Ex-Im Bank Credit/Guarantee/Insurance. If you have any question about what Goods and Services are approved by Ex-Im Bank, please contact your Ex-Im Bank loan officer. For Long-Term transactions (credit over $10MM or more than 7 years repayment), such “Goods and Services” are those listed in the current Acquisition List submitted by the Borrower to Ex-Im Bank.

Initial Exporter's Certificate
The Exporter’s Certificate must be completed by the Exporter and presented prior to the borrower's first request for disbursement related to that exporter's invoices under the Ex-Im Bank-supported credit. Exporter's Certificates are also to be completed by U.S. and non-U.S. providers of Ancillary Services (such as banking, financial advisor, technical consultant, and legal) that have been approved by Ex-Im Bank for financing under the Ex-Im Bank Credit/Guarantee/Insurance.

Amended Exporter's Certificates
If an Amended Exporter's Certificate is required pursuant to any section of the Exporter's Certificate, the Exporter should check the “Amended Exporter's Certificate” box at the top of the Certificate and note the change being reflected in the amended Certificate. The Exporter should contact the lender under an Ex-Im Bank Guarantee/Insurance transaction, or Ex-Im Bank if an Ex-Im Bank direct loan, for instructions on where to send the Amended Exporter's Certificate.

Please note that a change to Part A (Content) requires the Exporter to attach a copy of the “Disbursement Percentage Calculator” to the Amended Exporter's Certificate. The Calculator allows the Exporter to calculate the new disbursement percentage for the transaction. The Calculator (and instructions) are found at http://www.exim.gov/tools-for-exporters/credit-administration-and-operations/disbursement-calculator. Changes to Sections 2 and 4 of Part D require the relevant Ex-Im Bank approval to be attached.
