Re: New Exporter's Certificate

Ladies and Gentlemen:

The Export-Import Bank of the United States ("EXIM Bank") hereby notifies you that the Exporter's Certificate required to be completed by exporters under the terms of the loan, guarantee and medium-term insurance programs referenced in the attached Appendix has been revised. The new form of Exporter's Certificate (Form EIB 11-05) and related Certifications and Covenants for MT-LT Exporter's Certificates (Form EIB 15-01) are available online at <http://exim.gov/allforms> and then search under Form Number for EIB11-05 (no spaces).

Effective immediately, the new Exporter's Certificate is in full force and effect and no prior versions of the Certificate will be accepted. Going forward delivery of the new form of Exporter's Certificate is required in all transactions under the relevant programs in which an initial Exporter's Certificate has not yet been delivered, or for which an amendment to the Exporter's Certificate is needed, as the case may be.

Except as expressly set forth herein, this Notice does not modify or waive any provision of any terms of the documentation governing any EXIM Bank transaction ("Governing Documentation"), all of which remain in full force and effect, including all requirements to deliver the disbursement or other documents consistent with the other terms and conditions of the Governing Documentation.

Please advise borrowers, exporters, brokers, and other parties of this Notice.

If you have any questions, please do not hesitate to contact Kit Arendt (at 202-565-3480; [kit.arendt@exim.gov](mailto:kit.arendt@exim.gov)), Donna Schneider (at 202-565-3612; [donna.schneider@exim.gov](mailto:donna.schneider@exim.gov)) or Christian Piccolo (at 202-565-3993; [christian.piccolo@exim.gov](mailto:christian.piccolo@exim.gov)) for loans and guarantees and the Trade Finance Division (at 202-565-3400) for medium-term insurance.

Sincerely,
