JOIN THE DHL EXCLUSIVE TOUR

Following the 2019 Grow Your Export Forum, DHL is pleased to invite you to attend a short presentation and walking tour of their Los Angeles (LAX) gateway facility. DHL will be welcoming all registered participants to the DHL LAX facility at 3:30 P.M.

Depending on the size of the group, the experience will last 60-90 minutes. A DHL Compliance Manager will walk you through many operational areas, including the aircraft loading zone, clearance, customer service, network control center, conveyor belts and more. Additionally, you can meet DHL International Specialists and get an inside look at how they handle our operation from on the ground and in the air.

If you are planning to attend, you will need to present a government-issued photo identification (valid driver's license or passport) to security when arriving for the tour.
